

Sara Mae Prentice

Multimedia Designer • Artist • Creative Visionary

Education

August 2013 – May 2017

University of Connecticut

Bachelor of Fine Art | Studio Art Minor

Concentration on interactive design and printmaking. Crafted design and marketing projects both independently and collaboratively.

- Fine Arts Talent Scholarship in Digital Media Design
- Deans List

Experience

September 2025 – Current

Arnold Lumber Company

Graphic Designer

Lead Graphic Designer overseeing brand storytelling through typography, interactive design, and print media. Create campaign concepts and multi-platform assets, partnering with teams company-wide to deliver authentic, high-impact visual communication supporting business growth.

December 2017 – July 2025

Gilbane Building Company

Media Designer / Creative Services Specialist

Lead designer for major projects including Annual and ESG Reports. Supported global teams with presentations and graphics for construction pursuits. Contributed to photography, video production, and brand-aligned visual assets. Built wide-format files for office branding, signage, and tradeshow booths. Led training sessions on Adobe tools and provided ongoing technical support.

November 2012 – May 2017

Quality Sign Crafters

Sign Crafter

Wholesale fabrication and distribution of signage for food chains, retailers and hotels. Operated and managed print and engraving equipment and programs. Assisted in assembling and shipping signage nationwide.
